WomenBiz Roundtables

WomenBiz Roundtables are *free* and open to all women entrepreneurs from those in the idea phase to women who have been running their business for multiple years. Every Roundtable provides an opportunity for networking, introductions & announcements, collecting resources, & asking questions. A special presentation is scheduled for each Roundtable. Topics vary month to month & the presentations last 20-30 minutes. Following every Roundtable presentation is an hour of small group discussion where you can gain insight, support & advice from fellow entrepreneurs.

You do not need to be a WBC member or pre-register to attend.

See you there!
